TECH CENTER 1600/2900

Dear Sir:

Applicants provide with regard to the above-identified patent application entitled METHOD FOR TREATING PAIN WITH BOTULINUM TOXIN TYPE B, one copy of documents of which they are aware, which may be material to the examination of this application and in respect of which there may be a duty of disclosure under 37 C.F.R. §1.56. A listing of the documents submitted is set forth on the attached 1 page Information Disclosure Citation (Form PTO-1449).

While these documents may be material pursuant to 37 C.F.R. §1.56, their disclosure is not intended to constitute an admission that the documents are prior art in regard to this invention. These documents were disclosed in an International Search Report in the foreign counterpart of the above-identified application, and the International Search Report was received less than three (3) months ago. The filing of this Statement should not be construed to mean that a search has been conducted or that no other material documents or information exists. Please do not hesitate to contact the undersigned should any questions arise regarding this Statement.

The Commissioner is hereby authorized to charge the fee for submission of an Information Disclosure Statement of \$180.00 to applicant's Deposit Account No.
